USC is pleased to announce new ice!
(see pg. 3)

About the University Skating Club

The University Skating Club was founded in 1922 by members of the University of Toronto. They skated on an outdoor rink in Varsity Stadium until 1932 when Varsity Arena was built.

The University Skating Club is proud to continue to offer skaters the opportunity to pursue excellence in ice dance and free skating.

USC At Varsity Arena

The club is located at U of T's Varsity Arena in downtown Toronto, right across from St. George station. With spacious change rooms, regular ice maintenance, and staff-monitored pavilion entrance, the facility offers a safe, first-rate indoor skating environment for skaters of any level.

Adult Sessions

USC is a young to older adult oriented club geared towards anyone looking to pursue a passion or budding interest in figure skating.

CanSkate Sessions

Action, movement, and fun! CanSkate is the feeder program to all other Skate Canada Skating Programs. A complete series of balance, control and agility skills.

Off - Ice Sessions

Work on jumping, stretching, practicing spin and jump positions, stretching to improve your core strength, increase flexibility and prevent injuries. For all ages. Classes take place at Varsity Arena after Saturday 2 Sessions.

Helmets for Basic Skating Skills Participants

All CanSkate level participants up to and including Stage 5 (as determined by a USC coach) must wear a CSA-

approved hockey helmet while on any USC session in accordance with Skate Canada policy.

Ice Etiquette

Appreciation and awareness if adult and young skaters both on the ice together.

Events

Test Days

Low- and high-test days are available as needed.

Volunteer Opportunities

The University Skating Club is a not-for-profit organization run by its members. **Members are always needed to sit on the Board of Directors and help with events** such as test days and celebrations!

For more information on how you can be a part of the board and possible volunteer opportunities, please contact us by sending us your questions via email at universityskatingclub@gmail.com or stop by the USC locker before any skating session.

Non-Skating Membership Fee

Skaters who wish to test and/or compete for University Skating Club and are not registered for any USC sessions are required to pay a \$15 USC Administration fee in addition to the \$44.

Skate Canada Fee

Every skater must pay the Skate Canada fee every year; in addition to any ice fees. The club you pay this fee to is your home club, i.e., the only club you can test at, for the year. If you have already paid this fee to another club for the 2020-21 season, you do not need to pay it to the USC. Please indicate the other club as your "Home Club"
